

Virginia Dentists Newly Eligible to Apply for up to \$100,000 from Rebuild VA Grants

Governor Northam announced today that he has expanded the eligibility requirements for the Rebuild VA small business grants to include dentists. The VDA has urged his administration to consider the ongoing impact that the coronavirus has had on oral healthcare providers and to expand the eligibility to include their small businesses. Not all dental offices may meet the criteria or have eligible expenses. If your office chooses to apply, please carefully read the requirements at <https://www.governor.virginia.gov/rebuildva/>

Dental offices that received funding from the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act are still eligible to receive grants of up to \$100,000. Businesses that have received federal funds must certify that they will only use the Rebuild VA grant for recurring expenses and that the grant will not be used to cover the same expenses as the other CARES Act funds.

Rebuild VA funding may be utilized for the following eligible expenses:

- Payroll support, including paid sick, medical, or family leave, and costs related to the continuation of group health care benefits during those periods of leave;
- Employee salaries;
- Mortgage payments, rent, and utilities;

- Principal and interest payments for any business loans from national or state-chartered banking, savings and loan institutions, or credit unions, that were incurred before or during the emergency;
- Eligible personal protective equipment, cleaning and disinfecting materials, or other working capital needed to address COVID-19 response.
